## BEE SCHOOL

The Worcester County Beekeepers Association (WCBA), the oldest county beekeeping association in the country, will be holding its 77<sup>th</sup> Annual Beekeeping School beginning March 7<sup>th</sup>, 2019. The school will run for eight Thursdays from 7:00 PM - 9:30 PM at the Grafton High School in Grafton, MA.

This school is appropriate for beginner and experienced beekeepers, the individual or family. **The fee to attend the school is \$35 per student.** Each registration includes a pro-rated WCBA membership through December 31<sup>st</sup>, 2019 and the WCBA Quarterly Newsletter. Class size is limited. Pre-registration is required and must be received by Feb 28, 2019. **Register Today To Guarantee Your Seat!** Registration can be completed on-line or forms can be downloaded from our web site or by email request. Doors open March 7<sup>th</sup>, 2019 at 6:00 PM. Classes start promptly at 7:00 PM.

The eight-week curriculum includes a variety of interesting lectures, hands-on experiences and outdoor workshops. Learn from the experiences of commercial as well as hobbyist beekeepers. Topics include Getting Started, Hive Management, Safety Equipment, and many others that are important to local beekeeping.

Honey Bees are renowned for their economic value as pollinators of fruits, vegetables and other agricultural crops. As well as being important pollinators, honeybees collect pollen, produce royal jelly and propolis - all of which are used as dietary supplements. Honey Bees also produce beeswax that can be used for everything from candles to cosmetics.

WCBA is a non-profit organization aimed at educating the public on the Art of Apiculture. Register On-Line at [www.worcestercountybeekeepers.com](http://www.worcestercountybeekeepers.com) OR complete & mail this form.
